

SHYAM UNIVERSITY

DAUSA, RAJASTHAN

Established by Act 28/2018 of Rajasthan Govt. Covered u/s 2 (f) of UGC Act, 1956

Shri S. C. Sharma
Chairperson (Chancellor)

Shri **S.C. Sharma**, the esteemed **Chairperson (Chancellor)** of **Shyam University**, has been the visionary force behind the establishment and progressive rise of the university since its inception in **2018**. A dynamic leader, dedicated philanthropist, and unwavering advocate for quality education and nation-building, Shri Sharma brings with him a lifelong commitment to empowering the youth through accessible and meaningful learning opportunities.

With a strong belief in the transformative power of education, Shri Sharma founded Shyam University in the educationally emerging region of **Lalsot, Dausa**, with the aim of delivering world-class higher education to all, particularly the underserved and rural communities. Under his thoughtful leadership, the university has evolved into a thriving hub of academic excellence, innovation, and social engagement.

A man of integrity, vision, and tireless dedication, Shri Sharma has consistently championed inclusive growth, infrastructure advancement, and student-centered learning. He has been instrumental in crafting the university's long-term strategic roadmap, guiding its infrastructural development, and fostering a culture of ethical leadership and holistic development throughout the institution. Deeply rooted in community values, Shri Sharma remains actively engaged in numerous educational and social initiatives that support the upliftment of rural youth, the promotion of entrepreneurship, and the advancement of skill-based education. His philanthropic contributions have enabled scholarships, vocational training, and outreach programs that have enriched countless lives.

As **Chancellor**, Shri S.C. Sharma continues to be the guiding light for Shyam University, inspiring a culture of excellence, innovation, and discipline. His steadfast belief in inclusive, value-based education stands as the cornerstone of the university's mission. Under his visionary leadership, Shyam University is steadily emerging as a leading institution of national and global repute.

Prof. (Dr.) Satya Narain Dolia
President (Vice Chancellor)

Prof. S.N. Dolia is a distinguished academician and seasoned administrator with a remarkable career spanning several decades in the field of higher education and scientific research. Currently serving as the **President (Vice Chancellor) of Shyam University, Lalsot, Dausa** since **October 23, 2024**, Prof. Dolia brings with him a wealth of experience and a legacy of excellence in academic leadership.

With a deep-rooted commitment to advancing knowledge and innovation, Prof. Dolia has held several pivotal positions in prestigious institutions before taking charge at Shyam University. His leadership style is defined by academic integrity, institutional development, and a strong emphasis on interdisciplinary research and sustainable development. Prof. Dolia is steering the institution towards academic excellence, fostering a research-oriented ecosystem, and promoting industry-academia linkages. Under his leadership, the university is witnessing dynamic growth in infrastructure, student engagement, and innovative curriculum design.

Prior to join Shyam University, Prof. Dolia has served as the Head of the Department of Physics, where he contributed significantly to departmental growth, curriculum modernization, and mentorship of faculty and students alike. As Principal, University Maharaja College, University of Rajasthan, Prof. Dolia championed academic reforms, digital transformation, and student-centric governance. His leadership was instrumental in enhancing academic quality, promoting research culture, and improving institutional rankings. As Director, University Science (USIC), University of Rajasthan, he spearheaded technical innovation and instrumentation support for the science departments, enhancing research capabilities across disciplines. As Director, Centre for Non-Conventional Energy Resources (CNCER), University of Rajasthan, Prof. Dolia led CNCER, promoting research and development in renewable energy, energy efficiency, and climate-conscious technologies. His contributions have elevated the Centre as a hub of innovation in non-conventional energy.
