2. Aggrieved by the decision of WRC in granting permission for the academic session 2021-2022, the institution approached the Hon'ble Supreme Court of India W.P. (C) No. 127/2021 and the Hon'ble Court had passed an order. The directions of the Hon'ble Court were considered by WRC in its 326th meeting of WRC held on 22nd – 23rd January 2021 and the WRC decided as under:

> ***"Learned counsel appearing for the petitioner, has informed us that there is no question of counselling in his client's case, as his client is an unaided institution, which admits students on its own. Having perused the writ petition(s) and the annexures thereto, it is clear that he is right in stating that the recognition that was granted for the academic year 2021-22 was granted on 22nd and 23rd January, 2021 much later than the application that was made, and due to this delay of the authorities, recognition could not be granted for the academic year 2020-21.***
>
> ***"This being the case, we direct the authorities to grant recognition for the academic year 2020-21 within a period of one week from today. The petitioner-institution may then admit 100 students within one week thereafter.***
>
> *The matter was discussed, and it was revealed that a similar kind of directions were issued by the Hon'ble Supreme Court/High Court of MP in WP NO. 6559/2015 & the clarification was sought by WRC from NCTE – Hqrs. The NCTE Hqrs vide letter No. 54-183/2014/NCTE/Legal/3300 dated 02nd September 2015 had directed to RCs to comply with the directions of the Hon'ble Court.*
>
> ***Accordingly, as per the directions of the Hon'ble Supreme Court of India, the WRC is required to relax the cut-off date as fixed by Hon'ble Supreme Court earlier in (2013) 3 SCC 617 (Maa Vaishno Devi Mahila Mahavidyalaya vs. State of U.P. &Ors.) and decided to issue the revised recognition order to the institution under clause 7 (18) of NCTE Regulations 2014 for running B.Ed. Course of two years duration with an annual intake of two units of 50 students each from the academic session 2020-2021.***
>
> ***The WRC further decided that its affiliating body be directed to ensure that minimum working days as specified in clause 3.3 of Appendix 24 of NCTE Regulations 2014 are fulfilled along with staff profile as per NCTE norms.***

- The provisional approval of affiliation shall be conditional and is subject to compliance as per circular dated 05.02.2020 bearing No.BCI:D:158 (LE/Circulation No.01/2020), issued to all Centers of Legal education, as per the extended time of such compliance, whereby every Centre of Legal Education/college is required to submit a certified authenticated bank statement bearing bank stamp, date and signature, mandatorily with respect to the salary/ies being disbursed to all the teachers/faculties every three months with effect from March, 2020 on a regular basis, unless specifically sought at other intervals, and also furnish list of teachers with qualifications as per BCI and UGC Rules, and further furnish proof/receipts of fulfillment of minimum library requirements, as enumerated under Schedule-III, Rule-15, Minimum Library requirements of Legal Education Rules which is the sine qua non of a Centre of Legal Education. The only supernumerary quota, as of now permitted by the Bar Council of India, is 10 percent seats in EWS quota over and above the sanctioned strength of seats allotted/approved by BCI and that too, is subject to adequate infrastructure and qualified faculty to accommodate the supernumerary seats. The same is required to be adhered to. If there is any default on such part and the same is discovered subsequently, action shall ensue.***

- The CLE is advised to declare the same voluntarily for consideration of the same in a manner which will not be detrimental to interests of the students admitted, if any, over and above the sanctioned seats as a one time opportunity. The same shall not be construed to be applied prospectively.

- It is pertinent to point that no University in India can offer a 4 year LL.B or integrated LL.B, followed by a 1 year LL.M in tie up with a foreign University under the present BCI regulations. Such a Law degree, nor the post qualification after it, is recognised by Bar Council of India. The BCI only recognises the pattern of a 12th class +3 (graduation in any stream)+3 (year Law degree) and/or a 12 + 5 year integrated law degree.

- While exchange programs of teachers and students have been undertaken by Centres of Legal Education including, Law Universities in India, Dual Degrees or joint Degrees with Foreign Universities have not been permitted or recognised by BCI. It is essential to emphasise that any foreign collaboration involving legal education institutions, must strictly adhere to the regulatory framework established by the Bar Council of India. It cannot compromise on the quality of legal education mandated by the BCI Its worth noting that unless a degree is recognised by the BCI in India, it holds no validity within the country. Therefore, a degree obtained from an Indian University, being recognized solely in a foreign jurisdiction, without recognition in India, would be of no consequence to the university or its students.

- Recognition and approval of law degrees are exclusively within the purview of the Bar Council of India. Consequently, if, upon thorough evaluation it is determined Law degrees are being issued by Universities against the rules and norms of Bar Council of India, recognition of such degree/s shall be withdrawn and such degree holders shall not be entitled to be enrolled in any State Bar Council in India.

- BCI and it's Legal Education Committee have time and again reiterated, stated and clarified, that it does not recognise LL.B and/or LL.M or any Law degree course through online mode, correspondence, open and/or distance learning mode.

- It has further come to the attention of the Bar Council of India and its Legal Education Committee that certain institutions are offering Master of Arts (MA) programs with a Law subject, in open and distance learning mode, or online mode which attempts to mimic the structure and content of a Master of Laws (LL.M.) program. Upon careful examination, it has been observed that such an endeavour is beyond the scope and intent of a Master of Arts Degree and is deemed impermissible. It is hereby clarified that such MA degrees will not be recognised by the BCI as equivalent to a Master of Laws (LL.M.) degree and for the purpose of teaching of LL.M. Course.

- It is crucial to clarify that the designation "MA" signifies "Master of Arts," whereas "LL.M." represents "Legum Magister," a Latin term denoting a "Master of Laws" Degree. The distinction between these two titles is significant, as an LL.M. degree is specifically tailored for graduates of law programs, whereas an MA degree encompasses a broader range of academic disciplines and is separate and distinguished from Master of Laws Degree. It is a deliberate attempt to bypass LL.M. in such a manner.

- The BCI emphasizes that an MA degree with a Law subject does not confer the same benefits or privileges as an LL.M. degree. Individuals holding an MA degree in Law will not be entitled to the benefits typically associated with possessing an LL.M. degree, nor will they be eligible to teach in LL.B degree programs. Pursuit of legal education at the postgraduate level, in the form of an LL.M. degree, is restricted to individuals who have completed their undergraduate legal studies while it is clarified that any specialized branch of law offered at the master's level, without the LL.B./BA.LLB qualification as the requisite entry-level credential, shall not be recognized as equivalent to an LL.M. degree.

- It is imperative for all stakeholders in the legal education sector to understand that the distinction between an MA degree and an LL.M. degree is significant. An MA degree with a Law subject does not fulfil the requirements for recognition by the BCI as a qualification equivalent to an LL.M. degree.

- This serves to clarify the position of the BCI on the recognition of MA degrees with a Law subject and to prevent any misconceptions regarding their equivalence to LL.M. degrees.

- The BCI and its Legal Education Committee has further also observed that running an MA (with Law subject) by any such mode is an attempt to obtain an LL.M, which is also not permitted by such mode.

- It has also been brought to the notice of Bar Council of India that some entities claiming to be Centre of Legal Education are offering courses through distance education/correspondence mode, under the nomenclature of the degree of LL.M. or LL.M. professional, where anyone even without LL.B. can get an LL.M. degree, and, the same persons are also getting registered for Ph.D., appearing for UGC NET etc. thereby diluting quality of legal education.

- This is an illegal practice and Bar Council of India shall not hesitate in taking stringent action against such centres.

- As per the order of the Hon'ble Supreme Court of India dated 29.08.2019 passed in Writ Petition (Civil) No.1510 of 2018, titled as Vinit Garg Vs. University Grants Commission and as per the earlier order of Hon'ble Supreme Court of India dated 03.11.2017 passed in Civil Appeal Nos.17869-17870, arising out of SLP No. 19807-19808/2012 in the case of Odisha Lift Irrigation Corp Ltd. Vs Rasi Shankar PatroDrs., the Hon'ble Supreme Court has held that an University has to obtain permission from the concerned regulatory body for initiating/starting, opening and conducting any distance learning course/s.

The University has adopted UGC recommended procedure for computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the papers / courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e. SGPA (Si) = Σ (Ci x Gi) / ΣCi ; Where Ci is the number of credits of the it the course and Gi is the grade point scored by the student in the in the course. The university shall issue Semester Grade Card to the student.

ii. The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme, i.e.

CGPA=Σ (Ci x Si)/ Σ Ci

Where Si is the SGPA of the semester and Ci is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to2decimal points and reported in the transcripts.
